

WHEN FUELING... REMEMBER YOUR ABC'S

A

Always monitor your fueling operation

B

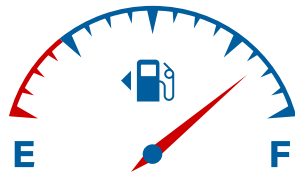

Block spill access to the water with a vent collection device or absorbent pad

C

Clean up any deck spills immediately with absorbent materials

D

Don't top off your tank - only fill to 90% capacity to allow for expansion

E

Equip your vessel with fuel/air separators or whistling vents

SAFE. SMART. CLEAN.

WARNING: IT IS ILLEGAL TO DISCHARGE OIL OR HAZARDOUS SUBSTANCE INTO US WATERS. (33 U.S.C. 1321 (B)(3))
